On March 27, 2008, Defendants K-M Industries Holding Co., Inc. and K-M Industries Holding Co., Inc. ESOP Plan Committee (the "Kelly-Moore Defendants") each served a set of interrogatories on plaintiffs. Plaintiffs responded timely on May 6, 2008. The parties met to confer concerning the responses on May 20, 2008. During that meet and confer, plaintiffs agreed to supplement their responses with additional and specific information.

The Order Modifying Pretrial Order dated December 16, 2007, sets May 23, 2008 as the

1 close of fact discovery in this matter. Pursuant to Local Rule 26-2, motions to compel fact
2 discovery must be filed on or before June 4, 2008.

3 In order to allow plaintiffs sufficient time to supplement and amend their responses to
4 defendants' interrogatories and for defendants to evaluate whether a motion to compel further
5 responses will be necessary, the parties hereby stipulate that plaintiffs may have to and including
6 June 4, 2008 within which to supplement and amend their responses to the Kelly-Moore
7 Defendants' interrogatories and that said defendants may have seven court days thereafter to file a
8 motion to compel further responses, if required. The Parties request that the Court enter an order in
9 line with such stipulation as set forth below.
